INTRODUCTION

Welcome to the 2018 Ilkley Jubilee Historic Rally and Jubilee Run organised by Ilkley and District Motor Club. First run in 1991 and continues to follow the successful and popular format of the past number of years with a scenic route in and around the Yorkshire Dales interspersed by a number of driving tests.

Since 1994 the event has been organised by the same core team, but last October we lost a member, Alastair Tullie our Event Secretary. He had been ill for the past few years with MS which had greatly effected his mobility but he remained fully committed to the event and carried on with his role and the work that goes on behind the scenes. He is greatly missed by the team as he will be by the event in April.

This year's event starts from the Millstones, which is located west of Harrogate on the A59 near to Kettlewell. The morning leg consists of three regularity sections and five tests and after the lunch break the afternoon sees three more regularity sections and five tests to finish back at the Millstones where a carvery meal precedes the results and award presentation. The navigation for the regularity sections will consist of tulips, grid lines, spot heights, map features and a jogularity. Three will be issued in the road book, one at the start and two at lunch. You can find more details of these types of navigation in the HRCR Navigation Handbook and the HRCR Road Rally Novice Guide which can be download from their website. www.hrcr.co.uk

All the regularities are timed to the second and this mix enables us to sort out a result amongst the masters and experts whilst also giving novices and beginners an enjoyable and competitive day.

We are once again included in the Historic Rally Car Register Hagerty Insurance Clubman's Rally Championship incorporating the Amazon Cars Challenge Cup and the Premier Rally Championship along with the ANWCC and the new ANCC Championships. Members of clubs in both these associations are welcome to enter the event and will receive the same Yorkshire hospitality that has made this a popular event in the past.

For those competitors who do not want the added expense of competition licenses or the complexity of navigation, the *Jubilee Run* is a Clubman's status event, using a similar route with all the driving tests of the Rally. Navigation will be by a simple tulip road book complete with maps, making this an ideal event for beginners who are considering progressing to National 'B' events. An explanation of the relevant MSA regulations referred to in the following pages can be found on the MSA website.

CLASSIC CAR INSURANCE?

● THE HARD WAY

- Ring an insurance broker that's not Hagerty. Spend half an hour explaining why your classic isn't just "an old banger".
- Politely decline home, pet and travel insurance. Politely explain that you only need agreed value classic car insurance. To get off the phone, promise to get a quote for your home "in the near future".
- Go out to the garage, pull off your car's cover, snap several photographs. Email photos but hear back that "the photos are too dark" or "we need six and you only sent five".
- Cough up a £15-50 "certification" fee, on top of your policy premium.
- Wait on hold half an hour while their staff reviews the information. Lose the connection. Ring back, get transferred to three wrong departments. Get put on hold again.
- The Agreed Value certification finally arrives. You begin looking forward to repeating the entire tedious, maddening process, fee included, if you want to increase your value again.

✓ THE EASY WAY

- Call Hagerty, 0203 323 1343.
- Go for a relaxing drive.
